These days, children spend more time on doing homework or participating in organized activities related to school or sports. However, they should be given more time to do whatever they want.

(36) 8/15托福考试

Do you agree or disagree with the following statement?

It is better to use your own knowledge and experience to solve problems than to ask other people for advice.

(37) 8/21托福考试 (8.21上午场)

Do you agree or disagree with the following statement?

The most important problems affecting society could be solved probably during your life time.

(38) 8/21托福考试(下午场)

Do you agree or disagree with the following statement?

Experts suggest that parents should limit the time children under 13 spend on electronic devices, such as computers and cell phones, except for homework.

(39) 8/22托福考试

Which one of the following do you think is the most important thing that parents should teach their children?

- Being helpful to others
- Being honest
- Being well organized

(40) 8/28 托福考试

Children should spend most of the time playing and studying, and they should not be required to do household chores, like cooking or cleaning.

(41) 8/29 托福考试

Teachers at a high school think that some of their students are bored or uninterested in learning. In your view, which ONE of these actions that teachers can take will be the most effective in increasing high school students' interest in learning? Why?

1. Using technology in their classrooms more often;
2. Asking students to work more often in groups or teams instead of working alone;
3. Explaining how the lessons they teach in the classroom have a connection to events in the world outside the classroom.

(42) 9/4 托福考试

Some people believe the school should use more digital devices for schoolwork, but others support limiting the role of digital devices in schoolwork. Which view do you agree with and why?

(43) 9/5 托福考试

Do you agree or disagree with the following statement?
Improving schools is the most important factor in the successful development of a country.

(44) 9/11 托福考试上午场

Some high school teachers (teachers of students aged 14-18) spend most of the class time lecturing (speaking) while the students listen and take notes. Other high school teachers spend most of the class time on discussions and projects in which students are highly involved and exchange their ideas. Which of these two approaches do you think is more effective for students' learning and why?

(45) 9/11 托福考试下午场

Nowadays, some universities realize that not all their new students have adequate learning skills, so they require every freshman to attend a course before the semester begins to develop skills that will be needed in college (how to use the library, the computer lab, and how to have class discussions...). Some believe that such a requirement is necessary, while others feel it is unnecessary to require everyone to attend such a course. What is your opinion and why?

(46) 9/18 托福考试上午场

Some people believe that there are so many different news stories about current events nowadays that it is helpful to take a break from reading or listening to the news. As a result, they stop reading or listening to the news for days or weeks at a time. In your view, is it beneficial to stop reading or listening to the news for a period of a few days or weeks? Why or why not?

(47) 9/18 托福考试下午场

Some universities have students choose leaders to perform important duties at the school (for example, meeting with school administrators to discuss problems at the school). If your university required you to choose student leaders, which ONE of the following do you believe is the best way for you to inform yourself about whom to choose?

1. reading articles in the school newspaper about the views of each person who wants to be a student leader
2. listening to what candidates say about important issues (for example, in speeches or interviews)
3. getting recommendations from the teachers of this candidates

(48) 9/19 托福考试

Traditions are defined as customary or established ways of doing things in a family, community, or culture. Some people believe that it is important to follow traditions even when those traditions conflict with or are quite different from their own individual preferences. Other people believe that individual preferences are more important than traditions. Which view do you prefer?

(49) 9/25 托福考试

Do you agree or disagree with the following statement? Nowadays, children rely too much on technology, such as computers, smartphones, and video games, for fun and entertainment; playing simpler toys or playing outside with friends would be better for the children's development.

(50) 9/29 托福考试

Do you agree or disagree with the following statement?

A job position should be shared by two people so that one of them will have the opportunity to do other things such as taking care of children.

(51) 10/9 托福考试

Imagine you are working on a group project with two coworkers, and the deadline (the time that the project should be submitted) is approaching. The project looks good but could be improved if you all work on it more; however, this would mean that you miss the deadline. One of your coworkers suggests submitting the project in its current condition to meet the deadline while the other coworker thinks it is better to wait and submit the project after the deadline so that it is perfect.

Which approach is better in your opinion, meeting deadlines even if a project is not yet perfect or submitting a project after a deadline so that it is perfect?

(52) 10/13 托福考试

Do you agree or disagree with the following statement?

During big events, such as weddings or graduations, some people choose to record many videos and take numerous pictures on their smartphones, while others decide to record few or no videos and take few or no pictures. Which choice or decision do you prefer and why?

(53) 10/16 托福考试 (上午)

Sometimes you are required to meet with another person to provide feedback about that person's work (for example, when you must give your opinions about a classmate's work on an assignment or your thoughts about a coworker's contribution to a project). When you have both positive and negative feedback to give about a person's work, do you believe it is more effective to give the positive comments first or the negative comments first? why?

(54) 10/16 托福考试 (下午)

Sometimes at work or school, you might encounter a problem that requires creativity, for example, when you are given a new task to complete that is very different from other tasks you do. In work or school situations that require you to think creatively, would you prefer to work alone or with others? Why?

Use specific reasons and examples to support your answer. Be sure to use your own words. Do not use memorized examples.

(55) 10/23 托福考试

Do you agree or disagree with the statement? It is better to take risks and explore new things when you are older rather than when you are younger.

(56) 10/24 托福考试

One of your friends wants to break a bad habit and live a positive lifestyle such as quitting smoking or keeping a healthy diet, but your friend gives up halfway. Which do you think is the most useful and effective advice if you are asked to give to your friend?

- To learn self-discipline and gain the willpower to live a regular life
- To find people who share the same goal to form a healthy habit together
- To seek advice from professional experts (nutritionists or dieticians)

(57) 10/30 托福考试

Which one do you prefer? Some first-year college students do not have good study habits. Some people believe that colleges should provide all of the first-year students with a required course to develop their good study habits. Other people believe that providing this course is unnecessary.

(57) 11/06 托福考试

Some people believe that it is an important part of a child's education to go on field trips (for example, to museums). Others think that a child's time is better spent learning in a classroom at school. Which view do you agree with? Use specific reasons and examples to support your answer.

(58) 11/13 托福考试

Do you agree or disagree with the following statement?

The best way for parents to teach their children about responsibility is to have the children care for an animals.

(59) 11/14 托福考试

Some people believe that friendship becomes stronger when friends enjoy good times together, but others claim that friendship will become stronger when friends talk about their problems with each other and support each other. Which of these two approaches do you feel is more useful in making a friendship stronger?

(60) 11/17 托福考试

Foods and drinks that contain high levels of sugar, salt, or fats have harmful health effects when consumed in great quantities. Some people believe that governments should make these unhealthy foods and drinks more expensive by taxing them. The tax (money paid to the government) would discourage consumption of unhealthy foods and drinks and raise money for future health-care costs. Other people believe that consumers buying foods and drinks should not pay any additional tax, even if the foods or drinks are unhealthy. Which viewpoint do you agree with, and why?

(61) 11/20 托福考试

Do you agree or disagree with the statement? It is better to take risks and explore new things when you are older rather than when you are younger.

(62) 11/21 托福考试

Traditions are defined as customary or established ways of doing things in a family, community, or culture. Some people believe that it is important to follow traditions even when those traditions conflict with or are quite different from their own individual preferences. Other people believe that individual preferences are more important than traditions. Which view do you prefer?

(63) 11/27 托福考试

A university recognized that first year students have poor study skills. It is believed that the best way to address this problem is to require all first-year students to take courses on study skills, while others don't agree with this requirement. What is your opinion?

(64) 11/28 托福考试

Nowadays many job interviewers and employers are looking for various additional sources of information to better understand a job applicant. Which is the best way for the employers to better know a job applicant?

1. contacting previous employers the job applicant worked for and asking for further information.
2. checking the job applicant's profile on a social platform (such as social networking websites and social media)
3. letting the job applicant work for the company for a short period of time (like 1 month) and then considering whether to use the applicant permanently or not.

(65) 12/4 托福考试

Which activity do you think can help you to strengthen the friendship between you and your friend?

-having a good time together with your friend
-talking about each other's problems and supporting each other
Use specific reasons and examples to support your answer.

(66) 12/11 托福考试

Do you agree or disagree with the following statement?

The best way for parents to teach their children about responsibility is to have the children care for an animal.

(67) 12/18 托福考试

Do you agree or disagree with the statement? Competition between friends always negatively impacts friendship.

(68) 12/19 托福考试

Because the use of technology such as computers in classrooms for young students (aged 6-12) has led to many improvements in learning, some people believe that there should be no limit on the number of hours that young students spend using technology during school day. Others believe that too much time spent using technology during school day is harmful and that their daily use of technology should therefore be limited to one hour or less. Which view do you support and why?
